PlayWisely Developmental Levels - *Enrollment is limited to 4 in a class and the class meets once a week for 30 minutes.*

Babies 1 (4-8 months)

Babies 1 is for young babies 4 months of age and includes babies who are beginning to sit up. Essential learning skills include attention, recognition and memory. Babies 1 introduces cognitive foundation concepts in math, reading, language and communication. Age appropriate visual motor, gross motor and fine motor development are also used.

Babies 2 (8-12 months) Sitters, crawlers and babies pulling up

Babies 2 builds on the Babies 1 (see above) foundation of math, reading, language and communication skills. Cognitive skills include focus, visual discrimination, visual memory, form constancy, part to whole relationships, tracking, audio discrimination, auditory memory, visual closure and visual directionality. Development of age appropriate attention, recognition and memory skills as well as visual motor, gross motor and fine motor skills are introduced.

Toddler 1 (12-18 months) First steps, first words

Toddler 1 builds on the Babies 2 foundation (see above). Concepts at this level include age appropriate cognitive skills for attention, recognition and memory as well as math, reading, language and communication skills. Age appropriate physical activities are also introduced for visual motor, gross motor and fine motor skills. Motor skills include throwing, catching, kicking and more.

Toddler 2 (18-30 months) Runners and talkers

Toddler 2 builds on the Toddler 1 foundation (see above). Concepts at this level include age appropriate skills for attention recognition and memory as well as math, reading, language and communication skills. Age appropriate physical activities are also introduced for visual motor, gross motor and fine motor skills. Math includes 3D forms and patterns. Reading introduces c-v-c words. Art focuses on primary and secondary colors. Emotions covered are happy, sad, mad, okay and opposites.

Toddler 3 (30-42 months) Jumpers and communicators

Toddler 3 builds on the Toddler 2 foundation (see above). Tot 3 introduces the PlayWisely Bridge curriculum transitioning into our 3 year old program. Mini-matrix, matching and beginning project work are introduced.
