Pricing for 2019-2020 Extended Care and PreK Extension

EXTENDED CARE - Dismissal – 6:00pm

Care is available for and required for students staying after school through 6th grade. Those students enrolled in an Exploration class who will be picked up at the conclusion of that program do not need to enroll in Extended Care for that day. Students who need to stay after the Exploration class must enroll in Extended Care but should use the appropriate discount code (see details below) to reduce the cost due to their enrollment in Explorations. Enrollment in Extended Care may be selected in a variety of ways:

- **All Days for the Fall and/or Spring Session** (covers every regular school day of the year) - Options to pay in full or through a semester payment plan.
- **Day of the Week** (ex. all Tuesdays of fall and/or spring) - Options to pay in full or through a semester payment plan.
- **By the Day** (for those who need care less frequently) - The cost of this option is higher per day. This option should be used for those who need care prior to the start or after the conclusion of Explorations programming (August 22-August 30, December 16-20, January 7-10, May 26-28).
- **Faculty Work Days** – All-day care is available from 7:30am-6:00pm
- **Early Dismissal Days** – Care is available from dismissal until 6:00pm.

EXPLORATION + EXTENDED CARE DISCOUNT

If a student is enrolled in an Exploration program and Extended Care on the same day, the following codes will discount the price of care. Input code **EXP** for five days per week of dual programs, used on the All Regular Days option. Input codes **MON, TUE, WED, THU, FRI** for the corresponding day when using the Day of the Week Registration. If you wish to enroll using All Regular Days and have Explorations fewer than five days per week, please contact us for your discount to be applied to your account.
